# Myer's Gorgeous Gladiolus

## King of Cut Flowers

The Gladioli are generally recognized as the most beautiful and popular of all the flowers grown from summer flowering bulbs. They are of very easy culture and well suited for garden as well as cut flower purposes.

Our bulbs are all large size, high crowned, grown from treated bulbs and are of exceptionally fine quality.

Most every county fair has its flower show, and I'm told the Trempealeau county fair will open enough later this year to permit a fine showing of gladioli and dahlias, with a premium list really worth while. Get in on some of this money. We had a large display there last fall. Get started on some good gladioli bulbs now.

**BEACON.** One of the most brilliant and tallest of all varieties. Eight florets open at once on a very long spike. Brilliant scarlet with creamy throat. Mid-season. Each, 15c; doz., \$1.20; 100 for \$7.00, postpaid.

**BAGDAD.** Smoky old rose deeper toward the edges and lighter in the throat. Flowers are large and many open at a time. Very fine. Each, 5c; doz., 45c; 100 for \$2.05, postpaid.

**ALBATROSS.** A tall white of glacial purity. Almost the only glad that is entirely snow white. Each, 5c; doz., 50c; 100 for \$2.80, postpaid.

**MINUET.** Wonderfully beautiful, clear light pinkish lavender. Four to six very large heavily textured blooms open at once. Heavy, strong foliage and fine grower. Finest light lavender in existence. Each, 5c; doz., 45c; 100 for \$2.95, postpaid.
